Divan News From the Chief Rabban

Phil Smith

Boy! Is this year flying by! It seems like it was just yesterday that we were taking the Christmas tree down and waiting for the warm weather. Just goes to show that you have to be careful of what you wish for. Dad always told me that the older you got the faster time went, boy was he correct. It is like I jumped on a merry-go-round and am hanging on for dear life. Here we are in August, it's the "Dog Days of Summer" already, and much of the year is gone. We at Hadi have had a very busy year with all the events going on and are now looking at the Circus coming at us at full speed and opening in a new venue. This is an exciting time for everyone who will work the Circus this year and get to experience the new Downtown Stadium. It is like moving into a new home that you just bought, there will be something new around every corner and the more you look the more you will find. Let's go out to the Circus this year and have a good time. See ya there!

HADI SHRINERS WELCOME NEW MEMBERS!

Can you already smell the elephants? Can you already hear the lions and tigers roaring? Can you already see the Funsters clowning around? Well then, it must be CIRCUS TIME!!! I know you hardworking Nobles have been out selling those much-needed ads for the ad book, and I very much appreciate all of your efforts. In August, we kicked off the Circus ticket campaign. Ask your family to get involved and help sell those tickets. Let's see if we can clone Noble Bill Polen and everyone sell thousands of dollars' worth of circus tickets. So, get MOTIVATED and get out

there and sell those tickets. I would also ask that each of you buy your two books that were mailed to you, even if it's to support the Mom and Dad program. If you cannot buy two books, how about buying one book? Your dedication and efforts would help the 78th Circus be the best Circus in history. So, think twice or maybe three times before you just send them back. Thank You!!

As you know, we are moving the Hadi Shrine Circus to the brand new Evansville Event Center (downtown arena). With that being said, we will need all Nobles on deck to work the eight shows. Don't just sit there in your comfy chair and think someone else will be there to work. We need you, always have and always will, but especially this year. With a new venue, we will be learning new things as we go. But, when the doors open and the customers arrive, we need to be ready to give them the Greatest Shrine Circus in the World. So, come out and support your Circus.

Hello again Brothers,

By now you have heard most of the news from Denver, so I won't bore you with it. I recently made a trip to the Cincinnati Hospital as one of the drivers. We took boxes of pull tabs to the hospital with us. They were very much appreciative of them. Shirley, at the front desk, looks forward to Hadi's visits because of the number of pull tabs we bring. They use the money from the aluminum sales to buy new articles of clothing and personal items for our

burn patients. Many of them have lost everything in the fire. Nobles, please go back and read the Shriners' Creed. I know that you heard it given when you became a Shiner, but read the words of what we believe in. This creed can be found in the Potentate's handbook and on line. Wishing everyone well. See you next month.

Fraternally Yours, Mike Stader

Tickets!**

Hello Nobles,

The parade season is finally here. I hope all the nobles are excited as much as I am. There was a good turnout at the Shrinersfest and I am sure it will continue to increase. I want to thank everyone who was involved in the Shrinersfest. There was great support from the community and we have a great thing going. I am looking forward to filling the streets at the upcoming parades.

GETTING TO KNOW YOUR DIVAN

Editor's Note: The Potentate has asked Divan Members to submit articles that tell a little bit about themselves. This month's spotlight is on your Chief Rabban, Phil Smith.

A Little about Myself

By Phil Smith

I started working at the age of eight. At the age of 12, I was working as a lifeguard and teaching swimming at Pfaffin's lake. After graduation from Castle High School, I went to Purdue University and then got a job at ALCOA Warrick Works as a laboratory technician. During my first year at work, the U.S. Army drafted me and I then went to Jump School with the 101st Airborne Division. After Jump School, I was selected to go to medical school at Fort Sam Houston, Texas. I was then sent to the 101st Airborne at Fort Campbell, Kentucky, where I became the company clerk and later Sergeant E-5 of the motor platoon. I was later transferred and made Captain of the 82 Airborne Rifle Team. When I was discharged I returned to Alcoa to resume my job and after 9 years at Alcoa I started my own business, in 1969, Custom Cycle & Mobility Supply, that I still operate.

My Masonic life started in 1980 when I joined my father's lodge, Constellation 748, and was raised to a Master Mason in November 1980. I started the Chairs and became Master in 1987. After being Master, I took over the position of Treasure of the Lodge for the next 15 years. I am an honorary member of Reed Lodge 316, Daylight Lodge 752 and Lessing Lodge 464. I retired as Treasure of the Lodge, to devote more time at the Shrine.

I became a member of Hadi Temple in 1981. I come from a very active Shrine family (Charles & Sylvia Smith) (Arab Patrol and Color Guard). I am past president of the Motor Corps. In 2005, Past Potentate Phil Brown appointed me to the Divan and now I am your Chief Rabban.

I am married with three children and have four grandchildren. I am blessed with a wonderful family and a wife, Lady Charlotta, who supports me in all my endeavors.

DRUM CORPS BLASTS

By Jerry Minto

Greetings from the Hadi Drum and Bugle Corps. I hope everyone has had a great Summer and we can now look forward to some beautiful Fall weather (I hope).

As you read this the "Hadi Family Picnic" is now history. The D&B was well represented at this activity and everyone enjoyed the food, fellowship and the beautiful facility. In addition, in July, Jack hosted his yearly party at Lynnville lake. He has done this for many years and the Divan members and D&B members enjoyed the food and fellowship and wish to thank him for his hospitality.

It is time to start selling those tickets for the upcoming Circus. Let's make every effort to support your circus by selling as many tickets as possible.

September is the month that the Great Lakes Ceremonial will be held in Youngstown, Ohio. Also, we will be participating in parades during this month so be ready to say "Yes" when you are contacted.

Remember the following dates in September: 9th-D&B stated meeting, 15th-17th-GLSA, 26th-Potentate's Golf Outing.

Hope to do this again next month and bring you the past and future happenings of your Hadi Drum & Bugle Corps.

GREETINGS FROM HADI LEGION OF HONOR

By Curran Wilkinson, Adjutant

Would you believe that it is almost time for Labor Day? Just a little over three weeks, and it will be fall. They say "Time Flies When You're Having Fun." Do Shriners have fun? You bet we do! Do we help kids? You bet, and we have fun doing it!

As summer 2011 slips by, it is time to focus on fall activities. The remainder of the year will be filled to the brim, what with all we have to do yet this year.

Shrine Circus ticket sales have been launched, so we all should get out and sell these tickets. We all know how important the circus is to the operation of Hadi Shrine, therefore every noble should strive to do his part.

If you plan to attend the Legion of Honor picnic on September 11, please let Ned and Rose Wellmeier know by September 1. Their phone number is 812-897-0341.

In honor of Hadi veterans, again this year there will be a "Wall of Honor" display similar to what was done last year for Veterans Day in November. If you are a veteran of the United States Armed Forces, and would like your picture posted on the Wall of Honor, contact Steve Garrett for details.

Fall Ceremonial is getting closer and closer as each day passes. Now is the time to be working on a person or persons to come into Hadi Shrine. Everyone knows we are in need of new members.

By now all local public schools are in session, so be particularly attentive in the mornings and afternoons when the school buses are on the road and students are getting on or off the buses.

To all nobles out there who are veterans of the Armed Forces, if you are not a member of Hadi Legion of Honor, the nobles of Hadi LOH welcome you to become a member of our unit. Remember, it is an honor to belong to the Legion of Honor.

HOSPITAL STAFF

By Jack Benjamin

Many individuals are out there looking for ways to help the Transportation Fund. One of the notable ones is Noble Chad Emsweller. Chad connected us with the Guns and Hoses group, and as a result we have received some nice checks from them. He has also put me in touch with an organization, which would like to make a donation. I will be giving a presentation on August 13 to inform them as to what we do. I am available to go out to organizations and present a program. I am very cheap (they get what they pay for).

Captain Jack wants to thank all members who helped the Hospital Staff to win and retire the 2011 Stated Meeting Attendance Trophy. We now have had the most for the last five meetings. Let's keep it going. Congratulations!

MARINER WAVES

By: Dwain Mullen / Treasurer

Email: dwainm@issi.us

Greetings Nobles from the Bridge of the Mariners.

We would like to welcome all nobles who continue to join our unique club. From our Commodore Dave Wiley and your Bridge: A "tip of the fez" to all the Mariners who participated in the summer parades and who helped cook at the flea market. A special "thanks" to The Mariner Cooking Team for the long hours on the grill and the time and dedication it took to make this summer a success at the flea market. Thanks to all you dedicated, hard working Mariners! I encourage every Mariner to "get involved" and "stay involved". Everyone's Participation is the key and you are the key to our continued success!

A "Special Mariner Wave" to our dedicated Mariner volunteers on the continued improvements and upkeep of the Mariner's River Camp! A great time was had by all who attended our 2nd annual Mariner Fish Fry at the camp. What a great way for the hard-working Mariners and Ladies to enjoy the camp and each others company. Check out all of our activities on Facebook at Hadi Mariners. Keep checking your e-mail for current notices of Mariner activities. I encourage every Mariner to come to the meetings the third Wednesday of every month at 7 P.M. and see the great changes that have taken place at the camp. Attendance has been great and been climbing every month. Come out and join old friends and make new friends. Have you booked your UCO party or event at the camp yet? If not, come down, check us out and make the camp part of your UCO's festivities.

"We ride; we don't march in the parades!"

Let's continue making 2011 a rewarding voyage aiming for

Success and New Friendships!!

"Don't Miss the Boat!"

GIBSON COUNTY

By Doug Whipkey

It's been a long hot summer. We've kept busy trying to help out with functions at Hadi. We haven't had any meetings since our steak fry and it's time to get started again.

September 7th will be our family picnic, which will be held at the Conservation Club. This is the place it was held at for many years. For directions give one of our officers or me a call and we will be sure to get you there or lost. Please bring a covered dish. The Club will furnish the meat and drinks. If anyone would like to help set up the tables and chairs we will probably start that about 4:00 p.m. Feel free to come help. The drinks will be ice cold and ready by that time. For those of you that help sell the Circus tickets, Carl will have them when you need more.

That's all for now. Hope to see you all at the picnic.

HADI HIGHLANDERS

THE PIPES AND DRUMS O'HADI

BILL STANDRING, PP

Greetings in the Heat of Summer. We are busy working with new members on practice chanters and the drum section is sounding great. There are now Shriners starting a center in Germany.....since Germany also has several bagpipe bands. Very soon we'll be seeing German Shrine Highlanders

The Red Fez continues to have fine food and the Crab Boil was a great success. We don't go hungry at Hadi. Now it's time to start selling Circus Tickets.

PATROL POINTS

By: Darwin Johnson / Secretary~2011

Email: arabpatrol@hotmail.com

Greetings Patrolmen! A **BIG THANK YOU** to all the Patrolmen that made the Patrol meeting on August 5th. We had a fantastic turnout. 37 Patrolmen and everyone had a great time. For you Patrolmen that have not been to a meeting for a while, come down and meet all the new guys. Also the Patrol room has been completely remodeled. For you guys that didn't like smoking, the room is now smoke free. If you do smoke you can smoke in the hallway. Guys, let's have this kind of turnout for the Parades and continue this for the remaining parades this season. The bigger our group, the more fun we have on the street. A "Tip of the fez" to Captain Tom Land for doing a fine job blowing the whistle and keeping our unit in line. Come and join the fun at the parades.

Mark your calendars now for the Fall Festival. We will be setting up the trailer early in the morning on October 2nd. We need some help getting the trailer set up and ready to go for the Fall Festival on Oct 3rd – Oct 8th. We would also like to see some of you that have not been around come down and help man the trailer that week. Put it on your book now so you can help out the Patrol. One last thing about the **Fall Festival, the parade will be on October 8th**. We need your participation for this parade. We need over 20 Patrolmen on the street marching for this parade. Don't think it won't matter if you don't come. Be part of the team! **WE ARE PROUD TO BE A PART OF THE ARAB PATROL!** Come and join us and show your enthusiasm for our great unit!

I want to take a moment to **THANK** my fellow Officers in the Arab Patrol. These guys deserve some recognition. *President Angelo Ruehmkorff* is doing a fantastic job leading the Patrol through a successful year. *Vice President Sam Katz* is on top of the game! Sammy has done a wonderful job planning the hospitality for a variety of events this year. He is also heading up the Fall Festival trailer as well as the Circus trailer. *Captain Tom Land* knows how to call a parade, and does a great job keeping the Nobility **refreshed** during these hot summer days! *Treasurer Steve Barnett* dedication to the Patrol and helping out any way he can is unbelievable! And our *Divan Liaison Dan Schuler* is there for us beyond the call of duty. Take a moment when you see these guys and give them a **BIG THANK YOU**.

Guys, the Circus Ticket Kickoff Dinner was August 25th. We need to make sure that all of the Patrolmen give their best effort to get out on the streets and sell circus tickets. You will each be receiving two books of tickets to sell or buy. Please do not sit on these tickets! Either sell them or buy them as Mom and Dad books. Remember, ticket sales are a crucial part of Hadi Temple's yearly budget. Let's do our part to help out if we can.

The **ARAB PATROL PICNIC was a great success.**

The Arab Patrol sends wishes of good health to all of the Patrolmen and their families. Know that you are always in our thoughts and prayers; we hope to see you soon.

Commit to being active in your unit!
